ORDER

There is currently pending a [33] motion to dismiss as to less than all parties. This motion was filed after the United States Magistrate Judge entered an [39] Order of Severance, and just before his order was affirmed [34]. A Status Conference was held on November 21, 2006, setting out directions for the filing of individual cases. Since no new filings have occurred, the “parties” identified in [33] are not considered to be before the Court.

Accordingly, **IT IS ORDERED:**

The [33] motion to dismiss is **DENIED AS MOOT.**

SO ORDERED this the 16th day of January, 2007.
